

Improving outcomes to small rural communities

- For the third year the standard cost for unsealed local roads in the GP component has been doubled
- Re-assessed and removed many disability factors for principally metropolitan councils
- Increased the weighting for *economies of scale*
- A relaxing of the upper capping limit to facilitate the move of grant funds to smaller rural communities
- -5% lower capping to moderate the downward movement in grants
- Two additional metro councils will move to the minimum grant in 2015-16
