Dear Dr Boxall

Greater Taree City Council wishes to advise that they intend to lodge a Special Rate Variation in accordance with advice received from IPART to commence in 2016/17.

The application will be made under Section 508(A) of the Local Government Act and will remain permanently in the rate base.

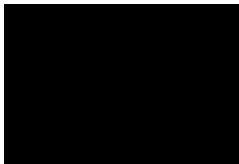

It will be for a 6.9% increase each year for 6 years.

The purpose of the Special Rate Variation is to maintain and renew Council's local road network.

The Council's principal contact is Ron Posselt, the General Manager.

This advice was ratified by a Council resolution on 9 December 2015.

Yours sincerely

Ron Posselt
General Manager
