Submission: It would not matter how much you gave this council in rate increases they would WASTE most of it , COUNCIL COULD AND SHOULD BE BETTER MANAGED i see on a daily basis examples of this , council employees clearly avoiding work [REDACTED] council staff engaged in counter productive efforts, pandering to commercial business interests at the cost of rate payers [REDACTED]

council tractor operators killing large areas of grassed parkland with wickwiping herbicide by mistake tending gardens on the median strip and ignoring the roadside drains that are blocked with leaves and vegetation replacing road surfaces ignoring the blocked table drains that have caused the problem
