

ACMA2011/1149

14 October 2011

Mr Robert MacPherson
Light Sense Australia Pty Ltd
C/MG1 Perth GPO Box 2570
PERTH WA 6001

Dear Mr MacPherson,

Supplier Code Number and use of Compliance Marks

I acknowledge receipt of your application for registration for use of the C-tick mark on your equipment.

Your unique supplier's code number is:

N29966

The supplier code number is one of several methods of supplier identification that can be used on your compliance label. This label must be affixed to equipment manufactured or imported by you (the supplier), in accordance with the applicable Labelling Notice(s), provided you have complied with all of the requirements of the applicable Labelling Notice(s). This letter should be kept with your compliance documentation.

The following details have been registered:

Name: LIGHT SENSE AUSTRALIA PTY LTD

ACN: 127974501

ABN: 89127974501

Trading As:

Postal Address (for receipt of notices): C/MG1 Perth GPO Box 2570
PERTH, WA 6001

Address where compliance documentation is kept: Level 7, 1 William Street
PERTH WA 6001

Labelling Notice(s) you intend to supply under:

Telecommunications ☐ Radiocommunications ☐ EMC ☒ EME ☐

It is important you check that all information is accurate. It is a requirement that **you advise the ACMA of any change to your details.**

Changes can be faxed to (02) 6219 5275 or emailed to SCN@acma.gov.au

Please refer to our website http://www.acma.gov.au/WEB/STANDARD/pc=PC_2754 for further information on equipment compliance and labelling requirements.

Yours sincerely

Jacqueline Farias
