

Online public hearing on water management and rural bulk water prices

New prices will apply from 1 July 2021

IPART has released draft reports and draft determinations on the maximum prices to be charged by the Water Administration Ministerial Corporation (WAMC) and for rural bulk water services provided by Water NSW. We are seeking feedback on the draft reports and invite stakeholders to make submissions by 16 April 2021.

Have your say at our online public hearing

We will also hold an online public hearing for these reviews on **Tuesday 30 March 2021** (from approximately 10am to 3:15pm). The hearing will provide opportunities for stakeholders to ask questions, share their views and discuss IPART's draft decisions.

Further information about the draft reports, draft determinations, how to make a submission and the upcoming public hearing, is available on IPART's website (www.ipart.nsw.gov.au).

Inquiries should be directed to Matthew Mansell on (02) 9113 7770 or water@ipart.nsw.gov.au.
