## MEDIA RELEASE

### **Council 'listening posts' will be available in Muswellbrook**

Muswellbrook Shire Council will hold the first of its 'listening posts' at Muswellbrook Fair this Saturday 3 December. Members of the community will have the opportunity to speak face to face with council staff about the long term future of the Muswellbrook Shire, aspirations for the future of its towns, jobs and Council infrastructure and services, as well as the setting of service priorities over the next four years.

Information and advice received from the community will inform the development of the Community Strategic Plan and other strategic planning documents for the four year term of the new Council. All members of the community are encouraged to take advantage of this opportunity for consultation and stop by the listening post this Saturday from 9.00am to 12.00pm to be a part of the conversation.
