# Special Rate Variation Survey

Please tick the response which best describes your opinion.

## Question 1

Which of the following best describes you?

- I am a resident of the Liverpool local government area
- I am a resident and pay rates in the local government area
- I pay residential rates in the local area but do not live here
- I pay business rates in the local area
- Other

If Other, please specify:

.....

## Question 2

Are you aware that Council is investigating a range of options to help us deliver road works, services and infrastructure, including applying for a special rate variation?

- Yes
- No

## Question 3

Council is currently investigating three options. How supportive are you of the following options.

**Option 1: Maintain - Keep the existing rate variation only and maintain current services, road works and infrastructure delivery. The average house will pay \$1.75 per week or \$118 a year through this option. Based on current rates payable, the increase in your rates next year in comparison to this year is 62 cents per week or \$32 per year.**

- Supportive
- Not supportive
- Undecided

**Option 2: Reduce - Lose the existing rate variation and reduce services, road works and infrastructure delivery to the community. The average house will save \$1.13 a week or \$59 a year through this option.**

- Supportive
- Not supportive
- Undecided

**Option 3: Increase - Increase services, road works and infrastructure delivery to the community. This will cost \$2.73 per week or \$142 in the first year. It will be a further \$1.19 per week or \$62 in the second year**

- ◆ Some of the additional works which Council will deliver through this option are:
  - ◆ Critical upgrades and floodlighting to sports grounds in Liverpool to improve safety, lighting, access and parking.
  - ◆ A special playground for children with a disability.
  - ◆ Resurfacing and essential works to 13 additional roads and 15 new bus shelters across the whole local government area.
  - ◆ Essential upgrades to 7 additional playgrounds.
  - ◆ Essential upgrades to 7 additional childcare and community centres.
- Supportive
  - Not supportive
  - Undecided

## Question 4

Are there any other comments you would like to add regarding the special rate variation?

- No
- Yes

Please Specify:

.....

## Question 5 - About you (optional)

What suburb do you live in:

.....

What is your age range:

- 18-34
- 35-50
- 51-65
- 65+

Gender

- Male
- Female

What language(s) do you speak at home?

.....
