Dear Ms Milne

### **SPECIAL RATE VARIATION**

Thank you for taking the time to speak with myself and colleagues today regarding the requirements for special rate variations and, in particular, the transitional arrangements for 2013-14.

I wish to advise that, in March 2013, Council will be seeking an extension of its existing S.502(2) special variation to continue work on the resealing and rehabilitating of priority roads across the local government area.

Yours faithfully

**Lea Rosser**
