Subject: RE: Council Resolution on applying for the ASV for Kiama Municipal Council

Hello [REDACTED]

The attached resolution is resolving to apply for a temporary special variation. In the application part A that we received the council is applying for a permanent special variation.

Can you please confirm if the council has applied for a permanent or temporary special variation?

A permanent special variation means that the additional income from the SV is kept in the rate base for all future years, a temporary SV means that the additional income from this application is removed from the rate base in year 2023-24.

Thank you,
