Note the relevant audit panel classifications for an auditor from Tables 1 – 5 are lead auditor or auditor. We no longer include the area specialist classifications on our audit panel.

For contingency planning audits, please select a technical expert from Table 6.

For environmental audits please contact IPART at compliance@ipart.nsw.gov.au for approval of a nominated auditor.

For compliance audits in relation to licensed operators or retailers please select an auditor from the licence and regulatory compliance category (Table 1) or contact IPART at compliance@ipart.nsw.gov.au.
