#### **11.5 Notice of Motion - Additional Special Variation (ASV) Application**

**117/2022FC RESOLVED** on the motion of Councillors David Fahey and Andrew Kennedy

1. THAT Council resolves that a special variation application under Section 508(2) be lodged with the Independent Pricing & Regulatory Tribunal for a permanent rate increase of 2.5 percent (2.5%) in the 2022-23 financial year;
2. THAT Council acknowledges that the variation if granted will yield additional income of \$81,954 in 2022-23 and, assuming a future peg of 2.5%, \$918,162 over the ten years of the LTFP;
3. THAT Council acknowledges that the special variation is required as the underlying inflation rate and wage increases exceed the proposed 2.5% increase in rate yield; and
4. THAT Council acknowledges that the impact of the 2.5% increase has been considered for ratepayers in each of the rate categories and subcategories and determined that the additional rate levy on the community is reasonable.
