Subject: RE: Correspondence from the Office of Local Government (Our ref: A805780) - HM

Dear Stepanka

Thank you for your correspondence.

We have since been in touch with IPART regarding this matter and have been advised that OLG is required to provide Hunters Hill Council with the requested information.

Therefore it would be appreciated if this matter could be attended to as soon as possible, as Hunters Hill Council requires this information to be included in the Special Variation application to be submitted to IPART by 4th February 2022.

Your prompt attention to this request would be appreciated.

Kind regards

Glynes Maxfield

Dear Ms Maxfield

Thank you for your letter of 16 December 2021 requesting a calculation of the expiring amount for your current special variations that were awarded on June 2012 and June 2013.

In order for the Office of Local Government (OLG) to assist could you please provide copies of any working papers the Council has prepared to make these calculations.

Our expectation is that councils calculate these amounts themselves and OLG be available if asked to review the final calculations.

Yours sincerely

Stepanka Halik
