Dear Sir/Madam,

Re Submission re Council Rates Increase.

I am not very happy about a big increase in our Council Rates to cover at least an extra Two million dollars (\$2,000,000.00). As a Pensioner it will come hard.

Another Department in the Coffs City Council have made a \$2.6 million dollars profit. Why can't this be put towards making up the extra amount the Council requires instead of ~~instead of~~ asking the Ratepayers to come up with an extra big rise in their Rates.

I hope you will consider this.

Thanking you,

Yours faithfully
