Dear Sir or Madam

Re: Intention to apply for Special Rate Variation under Section 508A

Junee Shire Council wishes to notify IPART of its intention to submit a Special Rates Variation in February 2014. The details are:

- In 2014/15 it is for a gross increase of 13.2% which includes the announced rate peg of 2.3%. The 2014/15 increase is to continue the SRV that was granted in 2009/10 for a five year period and that expires on 30 June 2014. The net increase is 3.78% after taking this into account.
- In 2015/16 it is for 9.5% which includes an estimated rate peg of 3.0%.
- In 2016/17 it is for 9.0% which includes an estimated rate peg of 3.0%.

The purpose of the variation is to improve the Council's financial sustainability in both the short and medium term primarily by providing extra revenue to fund road renewal works.
