Notice of Decision - Application for a network operator's licence by Wyee Water Pty Ltd

I, Kevin Humphries, Minister for Natural Resources, Lands and Water, have considered and accepted the advice and recommendations made by the Independent Pricing and Regulatory Tribunal (IPART) in its report to me on the application by Wyee Water Pty Ltd (ACN 160 953 775) (Applicant) for a network operator's licence under the *Water Industry Competition Act 2006* (NSW) (the Act). I attach IPART's report (Attachment A).

Based on my consideration and acceptance of IPART's report:

- (a) I am satisfied that the Applicant is not a disqualified corporation for the purposes of section 10(3)(a) of the Act;
- (b) I am satisfied that the Applicant is not a corporation that is a related entity (within the meaning of the *Corporations Act 2001* (Cth)) of a disqualified corporation that would have a direct or indirect interest in, or influence on, the carrying out of the activities that the licence would authorise (if granted), for the purposes of section 10(3)(b) of the Act; and
- (c) I am satisfied as to each of the criteria set out in section 10(4) of the Act.

I have also had regard to the licensing principles set out in section 7 of the Act in considering whether or not to grant the licence and what conditions should be imposed on any such licence granted.

Under section 10(5) of the Act, for the reasons set out above, I have decided to grant a network operator's licence to the Applicant, subject to the conditions set out in licence number 14/026, the Act and the *Water Industry Competition (General) Regulation 2008* (NSW). I hereby attach the licence (Attachment B).
