YOUR MAYOR AND COUNCILLORS

There are nine Council members of the City of Canada Bay: a popularly elected Mayor, a Deputy Mayor, and a further seven Councillors.

Mayor

The Mayor is the public face of the Council and is responsible for representing the views of Councillors and the community.

Presiding over Council meetings, the Mayor ensures they are conducted efficiently, effectively, and according to the Local Government Act. The Mayor must also promote the effective and consistent implementation of the Council's integrated planning and reporting processes.

Councillors

Councillors represent the collective interests of residents, ratepayers and the local community.

They are active participants in the integrated planning and reporting process and ensure that delivery, review and reporting are satisfactorily completed.

Council term

The current Council was elected in December 2021. The current council term is shorter due to the impacts of COVID-19 on local government elections. The next election is due to take place in September 2024.

CITY OF CANADA BAY COUNCILLORS

Angelo Tsirekas
Mayor

Angelo has served on Council since he was first elected in 1995.

He was first elected Mayor in 2002 and again as popularly elected Mayor in elections of 2004, 2008, 2012, 2017 and 2021.

**Deputy Mayor Councillor
Stephanie Di Pasqua**

Stephanie was elected to Council in 2017 as the youngest ever Councillor in the City of Canada Bay.

A lifelong resident, Stephanie is a strong advocate for her community and has been involved in lobbying State and Federal governments about vital issues concerning our area.

**Councillor
Anthony Bazouni**

Anthony was elected to Council in December 2021.

He has lived and worked in the City for many years, including more than 23 years as a local lawyer.

**Councillor
Charles Jago**

Charles is a long-time resident of the area who was first elected to the Council in 2017.

His professional experience spans information technology, the energy industry, adult education, and government and community development.

**Councillor
Julia Little**

Julia has served on Council since 2017 and, together with her husband and young children, is an active member of the local area.

She is a media and communications specialist with experience working in the Commonwealth public sector.

Councillor
Joseph Cordaro

Joe was elected to Council in December 2021.

He and his family have lived in the area for more than 30 years and enjoy the vibrant, multicultural and multi-generational community.

Councillor
Andrew Ferguson

Andrew was first elected to Council in 2017.

He and his family have lived in the area for the past 30 years, and he is committed to equity, social justice, heritage and environmental sustainability.

Councillor
Michael Megna

Michael previously served as Mayor and Deputy Mayor of the former Drummoyne Council and as Deputy Mayor for one term following his election to the City of Canada Bay in 2004.

Michael is now serving his eighth four-year term and has represented his community for over 30 years.

Councillor
Carmel Ruggeri

Carmel has lived in the City all her life and is passionate about supporting the local community and spirit.

She has operated a business locally, and many people would recognise her from her food walking tours around Five Dock and Concord.

COUNCIL

Staff

Local councils and their staff are responsible for the day-to-day operations of the Council area and for delivering local services and infrastructure.

The General Manager is responsible for guiding the preparation of the Community Strategic Plan and ensuring that the supporting Delivery Program and Operational Plan are delivered, regularly reviewed, and reported on.

Senior staff provide advice to the General Manager about projects, programs and activities outlined in the Delivery Program and Operational Plan.

They also ensure that team and individual work plans support the achievement of both documents.

An overview of the City of Canada Bay Council's organisation structure is provided in Figure 1 below:

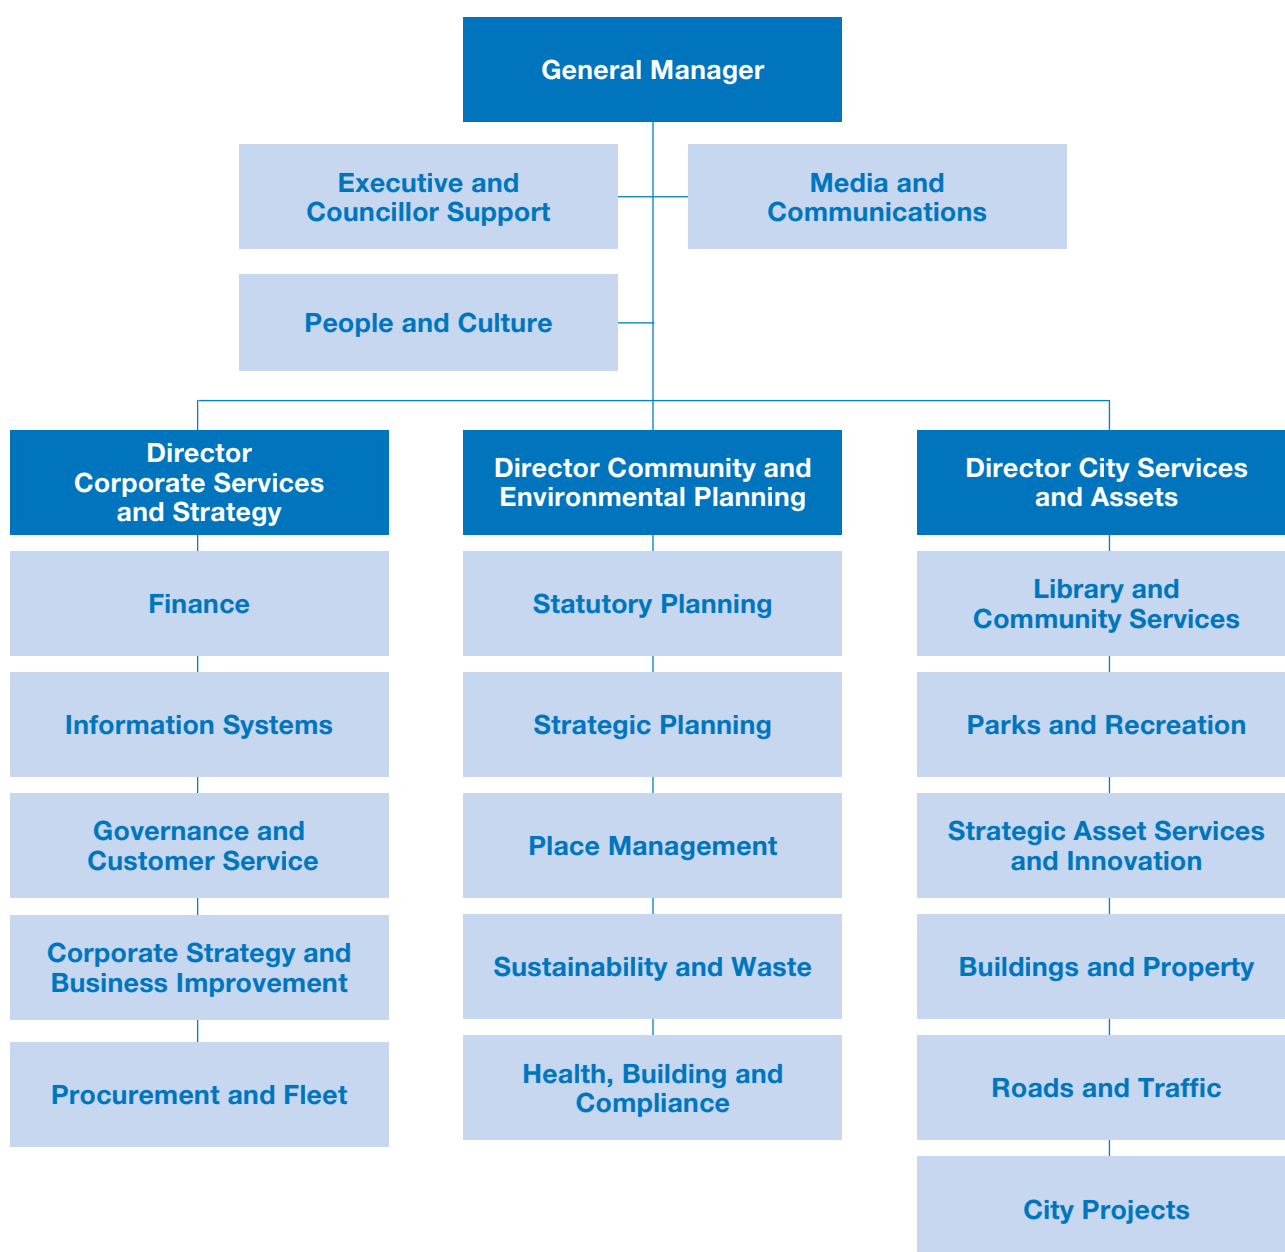

Figure 1: City of Canada Bay organisation structure

Services

The Council provides numerous services as part of its commitment to the community as identified under the Local Government Act.

An essential function of the Council is to provide goods, services and facilities, and to carry out activities that meet the current and future needs of the local community.

Many of the daily services that the Council provides are essential to the community's continued well-being and safety, from library services and community centres to environmental care and helping to maintain the area's tree canopy and biodiversity.

COUNCIL'S MISSION AND VALUES

The City of Canada Bay and its Councillors and staff are proud to act and operate by its mission statement and values.

Our values

The City of Canada Bay commits to these values and the behaviour that supports these values.

These values to the right guide the continued delivery of high-quality projects and services for the community. They were developed by staff at the City of Canada Bay.

We empower our people

We invest in our people and build leaders.

We encourage our people to be decision makers and to take action.

We take ownership of our actions.

We are approachable and lead by example.

We act with integrity

We are accountable to ourselves and our community.

We are honest, fair and ethical in all we do.

We are clear and transparent in our actions.

We do what we say we will.

Mission statement

An excellent organisation delivering great outcomes for our community.

We work together

We care about each other and about our community.

We are committed to building and maintaining a safe environment for our people.

We support our people to perform at their best and celebrate achievements.

We collaborate to get the best out of each other.

We work with our community to build a better future.

We are respectful

We listen to each other with an open mind.

We build relationships on mutual respect.

We are open, honest and constructive in our communication.

We are inclusive and embrace diversity.

We will respond to our community in a timely and responsible manner.

We innovate

We encourage and value ideas that will improve services for our community.

We are creative problem solvers and are committed to creative thinking.

We will be better tomorrow than we are today, building on past success.

We continuously improve and challenge ourselves to deliver better outcomes.

OUR CITY AND COMMUNITY

Local business in Five Dock.

OUR CITY AND COMMUNITY

The City of Canada Bay has a land area of 19.9km² and an estimated population of 97,022 spread across 17 suburbs.

It boasts 36 kilometres of Parramatta River foreshore and is a beacon to locals and visitors who flock to enjoy its more than 300 open green recreation spaces and 348 hectares of open space.

We are a City that celebrates diversity, cares for the environment, and plans well for the future. With 40 per cent of residents born overseas, the cultural and linguistic diversity of the City's residents is one of our most celebrated attributes.

Our shared sense of community is strong throughout the area. It is a safe place to live, and people enjoy the parks and playgrounds, community facilities and sports fields, and cultural events and activities spread across the City.

Over time, our City has grown. Its character has changed as former industrial sites have been adapted into residential dwellings. People have moved to areas that offer a better quality of life and recreational opportunities.

By 2036, the City's population is forecast to grow by almost 30,000 people — an increase of around 30 per cent.

Our community believes we can all do several things to ensure that the City of Canada Bay retains its character, heritage, and widespread appeal.

These include addressing climate change, consulting with the community on significant projects, providing appropriate planning outcomes, maintaining our parks and open spaces, celebrating diversity, managing traffic and parking well, providing excellent support services for community members, and supporting local businesses.

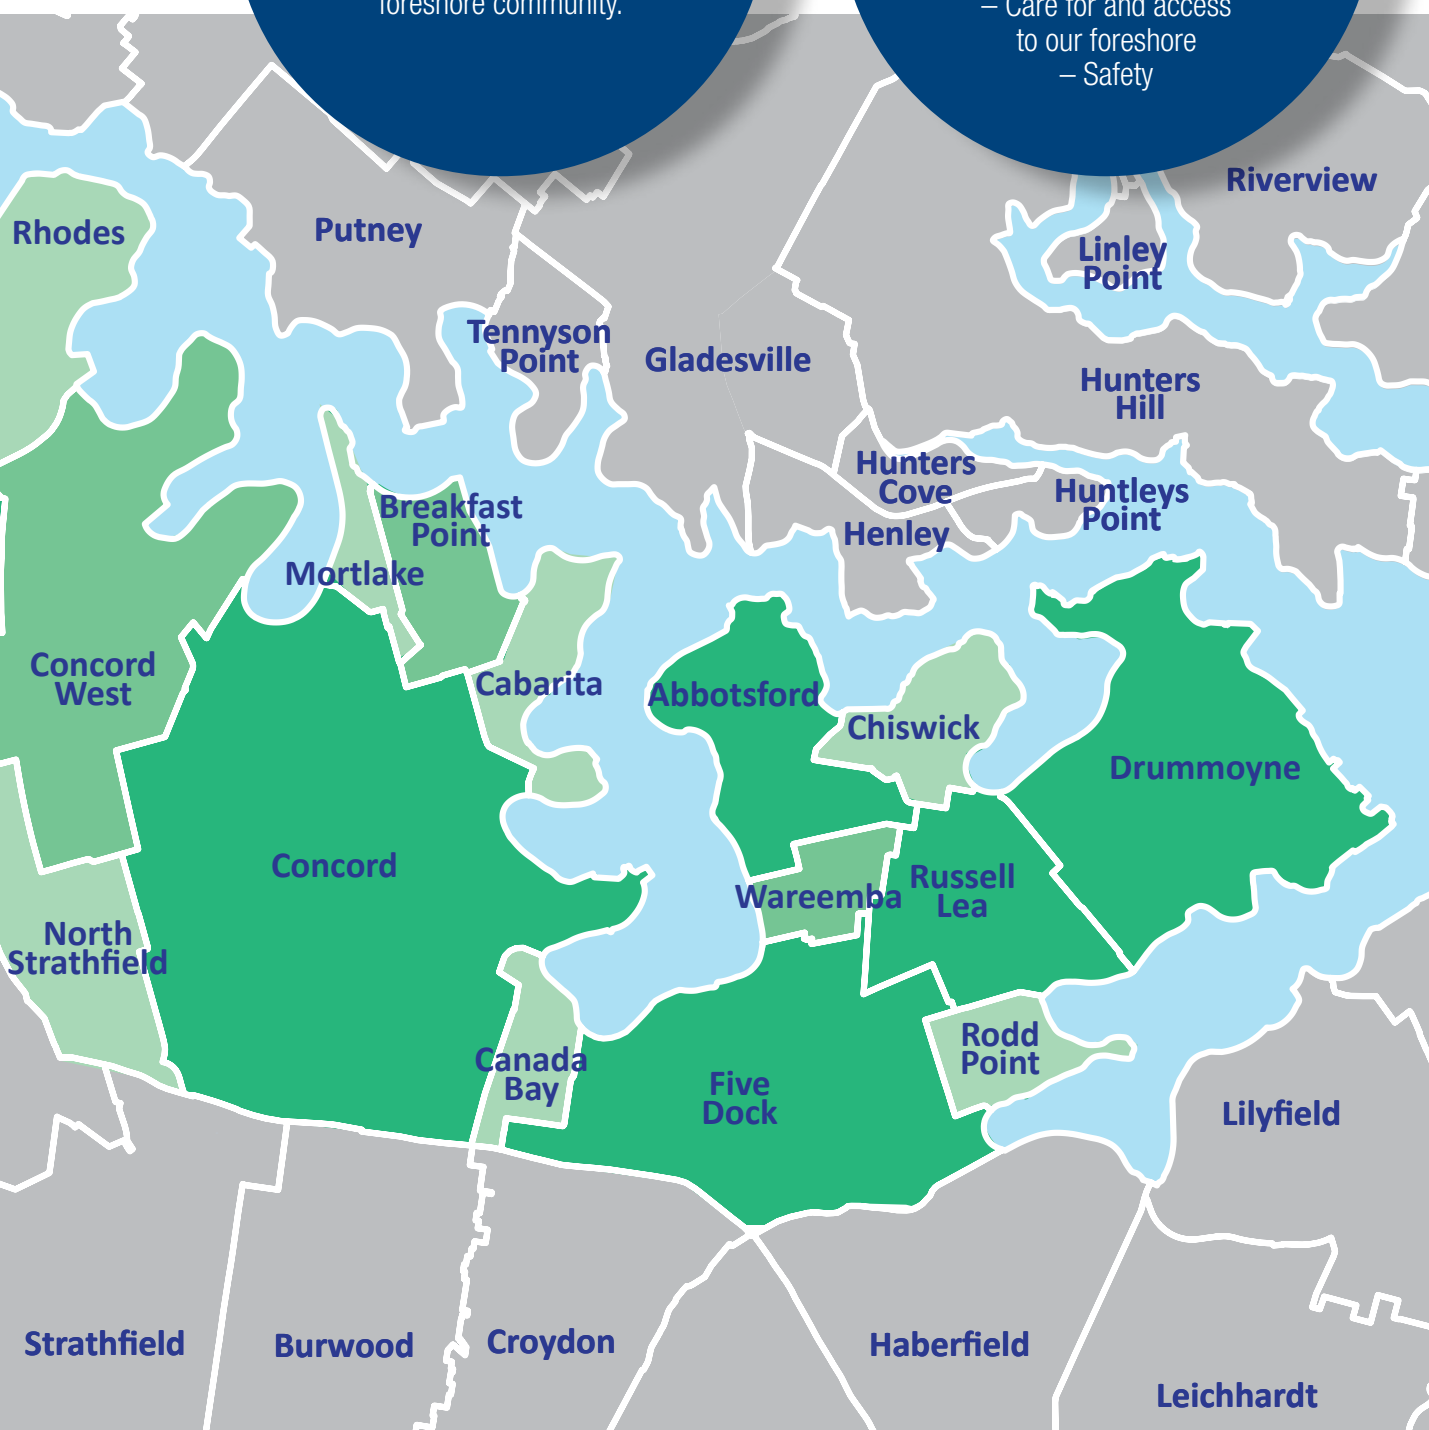

Community vision

Together we are an inclusive, sustainable and thriving foreshore community.

Community values

Our top community values relate to:

- The natural environment and open space
- Care for and access to our foreshore
- Safety

KEY FACTS

Age

In 2021, the dominant age group in the City of Canada Bay was ages 30 to 34, which accounted for 8.9 per cent of the total number of people. This will change over the next 14 years. By 2026, the largest age group is forecast to be 25 to 29, accounting for 9.1 per cent of the population.

OUR PROJECTS AND PARTNERS

NSW PRIORITY PROJECTS AND CRITICAL GROWTH AREAS

Some City of Canada Bay areas will experience significant growth in the coming years.

There are several high-profile NSW Government projects and initiatives that are related to key growth areas in the City of Canada Bay, most notably:

Sydney Metro West

The Sydney Metro West project will support a growing City and deliver world-class metro services to more communities.

This 24-kilometre underground railway will connect Greater Parramatta and the Sydney CBD and includes three stations in the City of Canada Bay at North Strathfield, Concord Oval, and Five Dock.

The new metro will double rail capacity between the two CBDs, link new communities to rail services and support employment growth and housing supply.

sydneymetro.info

Parramatta Road

Parramatta Road connects Parramatta with the Sydney CBD. The NSW Government's Parramatta Road Corridor Urban Transformation Strategy covers land along Parramatta Road from Granville to Camperdown, including Five Dock, Concord, and Burwood.

This strategy includes plans to revitalise the corridor through state government agencies and councils working together.

It also includes NSW Government's Parramatta Road Urban Amenity Improvement Program (PRUAIP), an initiative to improve open space and active transport links along the Parramatta Road corridor. Six councils, including the City of Canada Bay, have been provided funding under the program to deliver the 32 projects in and around Parramatta Road. The works fall into three categories: streetscape upgrades, the creation of new and improved open spaces, and new walking paths and cycleways.

planning.nsw.gov.au

Rhodes and Rhodes East

Rhodes is an important strategic centre in the Eastern City District Plan, with significant opportunities to create a great new place to live, work and visit. The precinct comprises land to the east and west of Rhodes train station, between the rail line and Concord Road.

The Rhodes Place Strategy is a plan for developing the Rhodes precinct over the next 20 years, with most of the development slated for Rhodes East.

The Rhodes Place Strategy will deliver:

- 4,200 new homes, with an initial cap of 3,000 homes pending further infrastructure
- 1,100 new jobs
- New primary school
- Rhodes train station upgrades
- New ferry wharf
- Improved pedestrian and walking paths
- 2.3 hectares of new public open space, including a foreshore park and promenade
- Excellence in design and sustainability, including dual reticulation for development and incentives to exceed BASIX and tree canopy targets.

planning.nsw.gov.au

Federal, state and regional priorities

We have considered federal, state, and regional priorities in preparing this plan, particularly the Premier's Priorities and Eastern District Plan. See the Appendices on page 104 for more information and an overview of relevant documents.

CITY PRIORITY PROJECTS

Concord Oval Community and Sports Precinct

Funded by the NSW Government with the Australian Government, City of Canada Bay Council, and Wests Tigers, the Redevelopment of Concord Oval will create vital recreation spaces for the Burwood-Concord and Kings Bay precincts as well as:

- Open, green recreation spaces
- Outdoor public areas and plaza
- Indoor recreation centre with multipurpose sports courts, gymnasium and group fitness rooms
- Public art throughout the precinct
- Café for residents and visitors
- Community programs, activities and function spaces
- New match day facilities for local sporting clubs
- New head office and elite training facility for Wests Tigers.

Rhodes Recreation Centre

The Rhodes Recreation Centre will provide our growing community with a new place to come together, exercise and have fun with friends and family.

It will include:

- Gym
- Café
- Childcare centre
- Gymnastics centre
- Allied health services
- Indoor sports hall with viewing mezzanine, and more.

Ferragosto

The City of Canada Bay's largest event, Ferragosto, will return in 2022 following a COVID-19 related hiatus.

This year Great North Road will again come alive with the best Italian food, culture, and performances across a series of stages, plus cooking demonstrations, market stalls, a funfair and children's activities.

The festival preserves its roots in the Italian heritage of the local community, with considerable support and interest from local businesses, entertainers, community organisations and residents.

Construction of the new Concord Oval precinct.

OUR PARTNERS

While Council has a custodial role in initiating, preparing and delivering Our Future 2036 on behalf of the community, it cannot do so in isolation.

Partnerships will be crucial in ensuring our City receives the funding, support and assistance it needs to meet the challenges of the future:

Community partners

- Churches and religious organisations
- Community groups and organisations
- Community services
- Environmental groups
- Indigenous groups and organisations
- Not-for-profit organisations
- Resident groups
- Schools and educational institutions
- Sporting bodies and organisations
- Volunteers.

Business partners

- Chambers of Commerce
- Industry groups
- Local businesses.

Government partners

- Federal Government agencies
- NSW Government agencies
- South Sydney Regional Organisation of Councils (SSROC)
- Other councils.

OUR CONTINUOUS IMPROVEMENT

A blurred background image showing a person with blonde hair in the foreground, and another person in the background sitting at a table, writing on a document with a blue pen. The setting appears to be a meeting or a collaborative workspace.

OUR CONTINUOUS IMPROVEMENT

The City of Canada Bay has an active program of initiatives focused on continuous improvement. We strive for optimum service efficiency and effectiveness, productivity, cost containment and revenue opportunities.

As with many NSW metropolitan councils, the City of Canada Bay faces a growing population that requires more assets, facilities, and services.

We strive to ensure that everyone in our expanding community has access to these assets, facilities and services to a benchmark standard or a standard that is desired by the community. However, we are also facing an income gap, with costs increasing more than revenues.

Attempts so far to address this income gap have included:

- Productivity gains and efficiency savings
- Actively pursuing grants and working collaboratively with neighbouring councils
- Carefully managing income and expenditure through regular budgetary monitoring.

Council continually searches for opportunities that would result in a stronger favourable operating position to ensure financial sustainability to meet increased demand for services.

Service review program

The City of Canada Bay service review program is designed to support Council to achieve its strategic objectives and priorities in an efficient, economical, and appropriate manner. The program is embedded into the organisation's Continuous Improvement Program to work toward achieving excellence in delivering the best value and effective services to our community.

The service review program is designed to provide:

- Analysis of the service: assess and analyse all Council services
- Value for money: determine whether we are providing our customers value for money and look at ways to invest and improve the value and quality of our services
- Options: help with developing options for how we offer our services
- Organisational culture: realise the potential of Council staff to build a culture of service, engagement, teamwork, and continuous improvement
- Accountability: develop clear accountability in achieving outcomes for our communities
- Opportunity: identify new business opportunities to generate revenue,

and improve quality and productivity

- Efficiency and effectiveness: efficient and effective services that meet the diverse needs of communities
- Continuous improvement: ensure that proposed improvements are planned, delivered, and evaluated — plan, do, review.

Guiding principles have been developed, and services that have completed a review process will be integrated into the Annual Service Health Check program as part of the annual business planning process to ensure a cycle of continuous improvement.

A set of criteria was developed to prioritise the review program and will be aligned with our three-year internal audit program. With the plan to

implement both programs simultaneously, in the financial year 2022–23, Council plans to conduct full reviews on two services as part of the service review program.

In addition to full reviews, several manager-led reviews are also scheduled to improve service elements, as per activities in the Operational Plan. This combination of service review activity supports the continued strengthening of our culture of continuous improvement.

The program of full reviews will, in time, roll out to all of Council's 45 services so that we can work towards providing the best possible value and services for residents and ratepayers.

OUR INTEGRATED PLANNING AND REPORTING FRAMEWORK

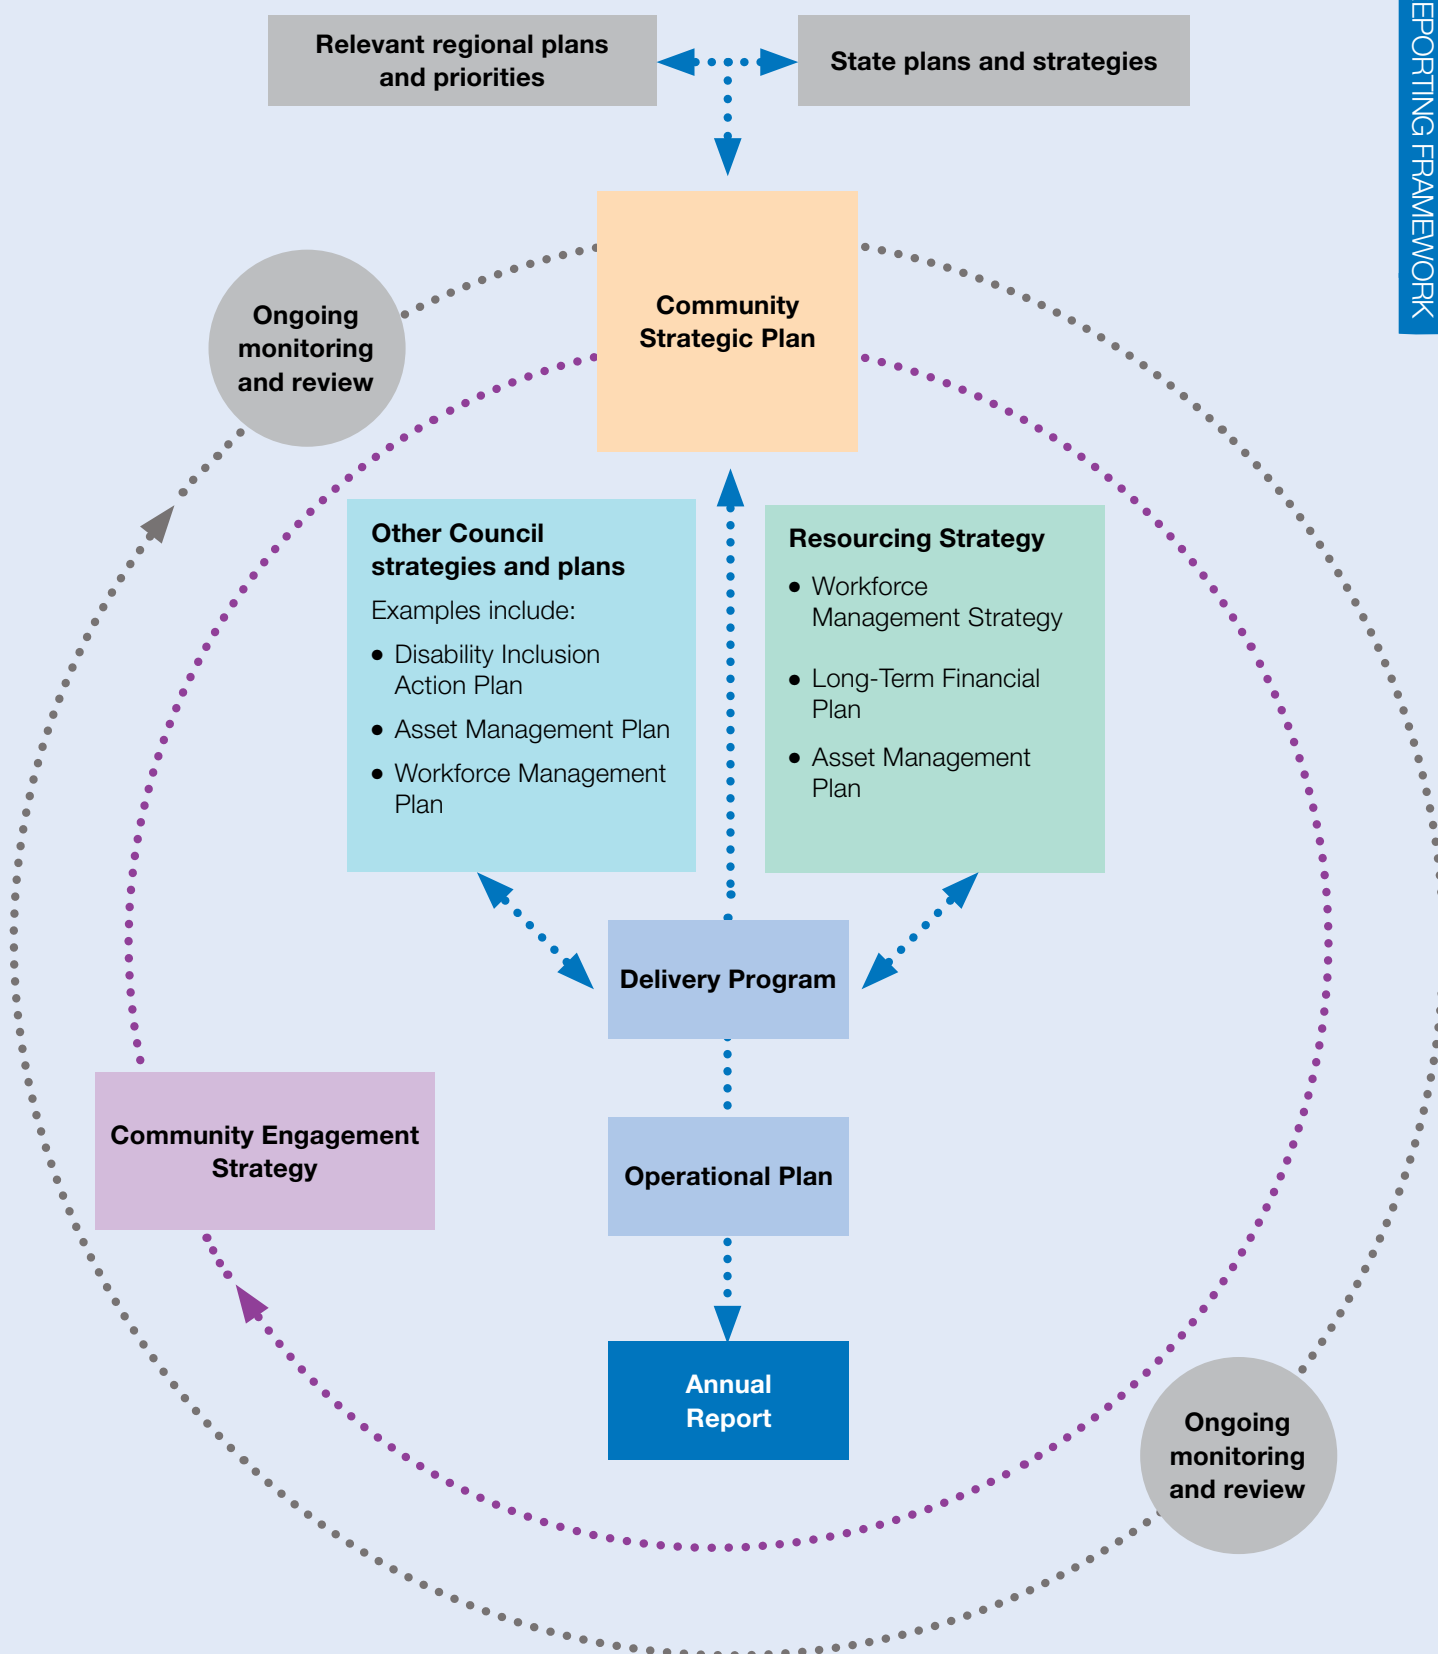

INTEGRATED PLANNING AND REPORTING FRAMEWORK

The NSW Government introduced the Integrated Planning and Reporting (IP&R) Framework in 2009 to assist councils in delivering their community vision and long-term objectives through long, medium, and short-term plans and reports.

In essence, the framework begins with the community's, not Council's, aspirations for at least 10 years, and in our case, from now until 2036. It also includes a suite of integrated plans that set out strategic directions and objectives and strategies to achieve them.

It involves a reporting structure to regularly communicate progress to the elected Council and the community, and a structured timeline for a review to ensure the goals and actions are still relevant.

Source: adapted from the NSW Office of Local Government – Integrated Planning and Reporting Framework. Website: olg.nsw.gov.au

Purpose and relevance of the Delivery Program

The Delivery Program outlines Council's commitment to the community from the newly elected Council and translates the community's strategic goals into clear actions.

This Delivery Program is the reference point for principal activities undertaken by the Council during its term of office. It is intended to determine what is achievable over the next four years, what the priorities are, and how programs will be scheduled.

Notably, the Delivery Program demonstrates how Council's business-as-usual services help achieve Community Strategic Plan objectives.

Performance monitoring and reporting

Every six months, Councillors are presented with a progress report on the Delivery Program. Reporting is provided on the range of measures against the Delivery Program's principal activities. In these progress reports, Council also reports on service performance measures and the measures contained in the Operational Plan.

It is also essential to keep the community informed of our progress in delivering Our Future 2036.

Because our long-term plan (Community Strategic Plan), four-year plan (Delivery Program) and one-year plan (Operational Plan) are all connected, all our regular reporting is related to Our Future 2036 (the Community Strategic Plan).

Throughout the Council term, Council also provides the following reports to the community:

State of our City

At the end of the Council term, the City of Canada Bay will report on the implementation and effectiveness of the Community Strategic Plan, Our Future 2036. This report is called the State of our City and will be presented to the second meeting of a newly elected Council for endorsement.

Annual reporting

Each financial year, the annual report is prepared and presented to the elected Council and the community. This document reports on our performance delivering the Operational Plan.

Six monthly reporting

The General Manager ensures that progress reports are provided to the elected Council with respect to the principal activities detailed in this Delivery Program at least every six months.

Quarterly financial budget review statements

Four times a year, financial statements are presented to our elected Council, reporting on our delivery of the annual budget.

DELIVERY PROGRAM AND OPERATIONAL PLAN

DELIVERY PROGRAM AND OPERATIONAL PLAN

The City of Canada Bay's 2022–26 Delivery Program is a fixed, four-year plan that sets out how Council will deliver its Community Strategic Plan commitments to the community.

The strategies and principal activities of the Delivery Program and Operational Plan support the directions and goals of the Community Strategic Plan.

The directions identified in consultation with the community, and enshrined in the Community Strategic Plan, are:

1. Connected Community
2. Sustainable and Thriving Environment
3. Vibrant Urban Living
4. Infrastructure and Transport
5. Civic Leadership

Progress against each direction is measured by a series of high-level community indicators, which track trends in the quality of life for people in the City of Canada Bay.

About the Delivery Program and Operations Plan

The City of Canada Bay Delivery Program (2022–26) and Operational Plan (2022–23) have been combined in this document for ease of reference and to aid reporting.

Each direction has several vital elements that, together, will ensure they are delivered on time and to agreed budget and service levels:

- **Community outcomes** describe what we would like our ideal community to look like.
- **Goals** are the community's long-term priorities and aspirations for the City of Canada Bay
- **Strategies** identify how we will reach each goal
- **Activities** refer to specific and measurable actions, timeframes, and responsibilities
- **Measures** set out how we will measure progress against goals, strategies and actions
- **Targets and timeframes** indicate what will be achieved — this may be a number, percentage or date, or other data where specific targets cannot be quantified yet
- **Responsibility** indicates the specific area of the Council responsible for ensuring strategies and activities are delivered.

Quadruple bottom line

The NSW Government's IP&R framework stipulates that the Community Strategic Plan must address social, environmental, economic and civic leadership issues identified by the community — commonly referred to as the quadruple bottom line or QBL.

In this document, the following key indicates which QBL issues each direction addresses:

COMMUNITY OUTCOME

By working together, greenhouse gas emissions are reduced across the area. We send less waste to landfill and more of our materials are recycled and reused. The City of Canada Bay will be home to more and healthier flora and fauna and our tree canopy will have increased. The quality of our foreshores and waterways will be enhanced and there will be more foreshore recreational opportunities.

ENVIRONMENTAL

SOCIAL

OUR FUTURE 2036 GOALS

1. Reduce greenhouse gas emissions
2. Increase urban tree canopy
3. Reduce waste to landfill through avoidance and increased recycling and reuse
4. Enhance and protect native flora and fauna to support local biodiversity
5. Improve access to, and enhance the quality of, the City's foreshore and waterways

RESOURCING

Resourcing strategy

The Community Strategic Plan, Our Future 2036, provides a vehicle for our community to express its long-term aspirations. However, these aspirations will not be achieved without sufficient resources — time, money, assets, and people — to implement them. The Resourcing Strategy is a critical link when translating strategies into action.

The Resourcing Strategy, part of the Integrated Planning and Reporting Framework, consists of three interrelated elements:

- Long-Term Financial Planning
- Asset Management Planning
- Workforce Planning.

The purpose of the Resourcing Strategy is to ensure Council has the capacity and capability to deliver the strategies, plans, programs, and key services contained within Our Future 2036 and the Delivery Program so that the City can develop into the type of place and community that our residents desire.

To successfully implement Our Future 2036, the community's vision for the future over the long term, Council must use the best mix of the resources — its people, assets, and money — in an efficient and financially sustainable manner.

Council is required to adopt the Long-Term Financial Plan, Asset Management Policy, Strategy, and individual plans, and is required to endorse the Workforce Management Plan. The overarching Resourcing Strategy document will be exhibited simultaneously.

Long-term Financial Plan

The Long-term Financial Plan acts as a tool for stakeholders (Council and the community) to use in deciding what resources Council needs to apply to deliver on the outcomes contained in Our Future 2036. The Long-Term Financial Plan seeks to answer the following questions:

- Can we survive the financial pressures of the future?
- What are the opportunities for future income and economic growth?
- Can we afford what the community wants?
- How can we go about achieving these outcomes?

This plan has modelled the financial implications associated with maintaining sustainable assets and existing services to ensure financial sustainability overall.

In partnership with Council's Asset Management Plans and Workforce Management Plan, the Long-Term Financial Plan is about ensuring there are sufficient resources available to deliver on the community's vision and aspirations for the City of Canada Bay. In addition, the Long-Term Financial Plan is about doing this in such a way as to ensure the long-term financial sustainability of the organisation.

Workforce Management Plan

Workforce management planning identifies the people and skills required to deliver on the strategic direction of the community, outlined in the Community Strategic Plan, Our Future 2036, and the 2022–26 Delivery Program.

In partnership with Council's Long-Term Financial Plan and Asset Management Plans, the Workforce Plan is about ensuring that there are sufficient resources available in the right place, at the right time, with the right skills, to deliver on the community's vision and aspirations for the City of Canada Bay.

The Workforce Management Plan helps Council understand human resource requirements for the next four years and plan what needs to occur to ensure the necessary staff are in place when they are needed. The right workforce is a critical element to delivering each of Council's plans.

Asset Management Strategy

The City of Canada Bay provides a wide range of services to its community. Some of these services are supported by infrastructure assets. A strong and informed decision-making process is required to plan effectively and adequately to manage, renew and replace existing assets and develop new ones.

In developing this plan, Council has predicted infrastructure consumption, renewal needs and additional infrastructure requirements to meet future community service expectations as identified in Our Future 2036.

The purpose of the Asset Management Strategy is to:

- Communicate information about assets in the local government area (including condition and performance)
- Identify strategies and actions required to provide defined levels of service
- Prioritise and address asset renewal and maintenance to ensure ongoing service priority to the community.

STATEMENT OF REVENUE POLICY

Overview

As detailed earlier, in order to deliver the commitments of the Delivery Program 2022–26 and this Operational Plan, Council has a Resourcing Strategy that plans for the financial, asset, and human resources under its control.

This Statement of Revenue Policy identifies where Council expects its revenue to be derived during 2022–23, and how it intends to expend that revenue in order to deliver this year's Operational Plan.

The Statement of Revenue Policy includes estimates of income and expenditure, including a detailed budget for the Operational Plan's activities. It provides information about the rates and special rates that will apply across the local government area in 2022–23, and the fees and charges that will be levied for some of the services that Council provides to the community.

It also includes a pricing methodology that demonstrates how the Council has arrived at its schedule of fees and charges.

The estimated income and expenditure for Council's operating and capital budgets are included in the table to the right.

Ordinary rates and special rates that apply in 2022–23

Rating structure

The total income that can be raised from levying rates on property is capped by the State Government based on a determination by the Independent Pricing and Regulatory Tribunal (IPART). IPART determined that general income from rates in 2022–23 may be increased by a maximum of 0.7% in accordance with the rate peg. Council was also allowed a population growth factor of 0.5% which in total provided an increase of 1.2%.

The rate peg was significantly lower than expected based on the historic average of the rate peg as well as being less than what Council's Long-Term Financial Plan relied upon for 2022–23. In March 2022, IPART announced that it will be accepting applications from councils that can demonstrate a financial need. The additional special variation would be the lower of 2.5% or the Council's assumed 2022–23

rate peg as exhibited in its LTFP. Rate income forecasts included in the Long-Term Financial Plan relied on a 2.5% increase for 2022–23.

The increase allowed by IPART relates to general income in total and not to individual ratepayer's rates. Individual rates are also affected by other factors such as land valuations. As such, rates for individual ratepayers may vary by more or less than the percentage allowable depending on how an individual ratepayer's land valuation has changed in a particular year compared to the land values of other ratepayers.

The following information details the two rating structures for rating of land for 2022–23. It is proposed to adopt the 2.5% increase should approval be granted by IPART.

Land is rated according to its use as either residential or business.

Rating structure based on 1.2% increase

Stormwater management charge

The Stormwater management charge is an ongoing charge to ratepayers used to fund capital and recurrent costs associated with the introduction of additional stormwater management programs. The amount charged is \$12.50 per annum for residential strata properties, or \$25 per annum for other residential. Strata businesses are charged a minimum \$5, while other businesses are charged \$25, plus an additional \$25 for each 350 square metres or part of 350 square metres by which the area of the parcel of land exceeds 350 square metres.

Rate instalments

Rate instalments will be due on the following dates:

First instalment	31 August 2022
Second instalment	30 November 2022
Third instalment	28 February 2023
Fourth instalment	31 May 2023

Domestic waste management charge

Domestic waste management (DWM) services are provided to all residential properties in the local government area. The domestic waste management charge is a separate charge for waste services. The cost of these services cannot be financed from ordinary rates and the charge covers the costs of providing the services. The amount charged for a standard residential service for 2022–23 is \$430. Income raised from the DWM Charge is forecast at \$16.5 million. For all charges relating to waste management, please refer to the document fees and charges 2022–23.

Boarding house tariffs

In accordance with section 516 of the Local Government Act 1993 (the Act), it has been determined that for the purpose of the definition of 'boarding house' and 'lodging house', the maximum tariffs, excluding GST, that a boarding house or lodging house may charge tariff-paying occupants are:

- a) Where full board and lodging is provided:
\$397 per week for single accommodation; or
\$656 per week for a family or shared accommodation
- b) Where less than full board or lodging is provided:
\$267 per week for single accommodation; or
\$441 per week for family or shared accommodation.

Revenue policy

In accordance with Section 608 of the Local Government Act 1993 and other relevant legislation, City of Canada Bay charges and recovers approved fees and charges for any services it provides as contained within the document entitled Fees and Charges 2022–23.

Fees and charges are generally intended to be imposed on the following services provided by Council under the Local Government Act or any other Act or regulations:

- Supply of a product, service or commodity;
- Giving of information
- Providing a service in connection with the exercise of the Council's regulatory functions, including receiving an application for approval, granting an approval, making an inspection, and issuing a certificate
- Allowing admission to any building or enclosure
- Possession, occupation or enjoyment of a rail, pipe, wire, pole, cable, tunnel, or structure laid, erected, suspended, constructed or placed on, under or over a public place (s.611)
- Allowing the use or benefit from Council's assets, possessions, etc.

City of Canada Bay's general policy in determining the amount of fees to be charged for goods and services considers the following factors:

- The cost of providing the service
- The importance of the service to the community
- Prices fixed by the relevant industry body
- Any factors specified in the Local Government Regulations
- Equity factors
- User pays principle
- Financial objectives
- Customer objectives
- Resource use objectives
- Market prices
- Cross subsidisation objectives
- Goods and Services Tax (GST).

In cases where the amount of fees and charges for service is determined under another Act or regulatory body, Council's policy is not to determine an amount that is inconsistent with the amount determined under the other Act or regulatory body.

All of Council's fees and charges not subject to statutory control are reviewed on an annual basis prior to finalisation of Council's annual operating budget. However, in special circumstances, fees and charges can be reviewed and approved by Council in accordance with the Local Government Act 1993 and Regulations.

Goods and Services Tax (GST)

City of Canada Bay unequivocally reserves the right to pass on the GST imposed on some of the goods and services provided, and where legislation is changed to remove or alter GST, Council's relevant fee will be amended accordingly.

Code	Name	Description
BAGS	Bonds and deposits	Refundable deposit against possible damage to Council property
FC	Full cost pricing	Council recovers all direct and indirect costs of the service (including depreciation of assets deployed)
LR	Legislative requirements	Price of the service is determined by legislation, and dependent on price, may or may not recover full cost
MP	Market pricing	The price of the service is determined by examining alternative prices of surrounding service providers (this also may or may not recover the full costs of the service) e.g. Children's Services
PC	Partial cost pricing	Council recovers less than the full cost (as defined above). The reasons may include community service obligation, priorities, or legislative limits on charging
RR	Rate of return pricing	This would include full cost pricing as defined above in addition to a profit margin to factor in a return to Council for assets employed
Z	Free (zero priced)	Some services may be provided free of charge and the whole cost determined as a community service obligation and/or may fall within a class of public good

The amount charged for a standard residential service for 2022-23 is \$430. Income raised from the DWM Charge is forecast at \$15.77M. For all charges relating to waste management, please refer to the document Fees and Charges 2022-2023.

Pensioner Rebate

The Local Government Act 1993 provides for eligible pensioners to be able to receive a rate reduction of 50% of their total rates, up to a maximum of \$250.

Rate Instalments

Rate instalments will be due on the following dates:

First Instalment	31 August 2022

Third Instalment	28 February 2023
Fourth Instalment	31 May 2023

Boarding House Tariffs

In accordance with section 516 of the Local Government Act 1993 (the Act), it has been determined that for the purpose of the definition of 'boarding house' and 'lodging house', the maximum tariffs, excluding GST, that a boarding house or lodging house may charge tariff-paying occupants are:

- a) Where full board and lodging is provided:
 - \$409 per week for single accommodation; or
 - \$675 per week for a family or shared accommodation
- b) Where less than full board or lodging is provided:
 - \$275 per week for single accommodation; or
 - \$454 per week for family or shared accommodation

Maximum Interest Rate on Overdue Rates and Charges

In accordance with section 566(3) of the Act, it has been determined that the maximum rate of interest payable on overdue rates and charges for the period 1 July 2022 to 30 June 2023 (inclusive) will be 6.0% per annum.

The methodology used to calculate the interest rate applicable for the period 1 June 2022 to 30 June 2023 is the Supreme Court methodology (the Reserve Bank cash rate plus 6%), rounded to the nearest half per cent of the maximum interest rate for the previous year. The cash rate used for the purposes of the maximum interest rate for local government is based on the cash rate set by the Reserve Bank on 7 December 2021.

Revenue Policy

In accordance with Section 608 of the Local Government Act 1993 and other relevant legislation, City of Canada Bay Council charges and recovers approved fees and charges for any services it provides as contained within the document entitled "Fees and Charges 2022-2023".

Fees and charges are generally intended to be imposed on the following services provided by Council under the Local Government Act or any other Act or regulations:

- Supply of a product, service or commodity;
- Giving of information;
- Providing a service in connection with the exercise of the Council's regulatory functions, including receiving an application for approval, granting an approval, making an inspection and issuing a certificate;
- Allowing admission to any building or enclosure;
- Possession, occupation or enjoyment of a rail, pipe, wire, pole, cable, tunnel or structure laid, erected, suspended, constructed or placed on, under or over a public place (s.611)
- Allowing the use or benefit from Council's assets, possessions, etc.

City of Canada Bay Council's general policy in determining the amount of fees to be charged for goods and services considers the following factors:

- The cost of providing the service
- The importance of the service to the community
- Prices fixed by the relevant industry body
- Any factors specified in the Local Government Regulations
- Equity factors
- User pays principle
- Financial objectives
- Customer objectives
- Resource use objectives
- Market prices
- Cross subsidisation objectives
- Goods and Services Tax (GST)

In cases where the amount of fees and charges for service is determined under another Act or regulatory body, Council's policy is not to determine an amount that is inconsistent with the amount determined under the other Act or regulatory body.

All of Council's fees and charges not subject to statutory control are reviewed on an annual basis prior to finalisation of Council's annual operating budget. However, in special circumstances, fees and charges can be reviewed and approved by Council in accordance with the Local Government Act 1993 and Regulations.

Goods & Services Tax (GST)

City of Canada Bay Council unequivocally reserves the right to pass on the GST imposed on some of the goods and services provided, and where legislation is changed to remove or alter GST, council's relevant fee will be amended accordingly.

Price Codes

Code	Name	Description
BAGS	Bonds and Deposits	Refundable deposit against possible damage to Council property
FC	Full Cost Pricing	Council recovers all direct and indirect costs of the service (including depreciation of assets deployed).
LR	Legislative Requirements	Price of the service is determined by Legislation, and dependent on price, may or may not recover Full Cost.
MP	Market Pricing	The price of the service is determined by examining alternative prices of surrounding service providers (this also may or may not recover the full costs of the service) e.g. Children's Services.
PC	Partial Cost Pricing	Council recovers less than the Full Cost (as defined above). The reasons may include community service obligation, priorities or legislative limits on charging.
RR	Rate of Return Pricing	This would include Full Cost Pricing as defined above in addition to a profit margin to factor in a return to Council for assets employed.
Z	Free (Zero Priced)	Some services may be provided free of charge and the whole cost determined as a community service obligation and / or may fall within a class of public good.

Asset Damage Report

Applicable when submitting a Development Application so as to determine the condition of the public asset before building works commence

Asset Damage Report - administration fee	\$415.00	\$427.00	\$0.00	\$427.00	FC
--	----------	----------	--------	----------	----

Prior to undertaking approved works within the Public Road Reserve, it is necessary to lodge a report to clearly indicate the condition of all assets within the Road Reserve in the area of the worksite that could be impacted by the works. The report needs to clearly indicate any defects with the assets prior to the commencement of approved work. When the approved works have been completed a final report is to be lodged indicating the condition (including defects) of all assets captured in the report lodged prior to commencing the approved works to allow the comparison of defects before and after the approved works have been undertaken. Fee is calculated as per Asset Damage Report lodged.

Building Services

General Information

BUILDERS INDEMNITY INSURANCE

Construction Certificates and Complying Development Certificates cannot be issued unless the applicant provides a certificate of insurance issued by an approved insurer under the Home Building Act 1989.

Persons who wish to do building work on their own home may apply to the Department of Fair Trading for an owner-builder permit where:

- (a) the cost of the work exceeds 5,000;
- (b) the work relates to a single dwelling - house or dual occupancy; and
- (c) the work requires development consent or is complying development.

An owner-builder who sells their dwelling within 7 years of completion of the work must take out home warranty insurance.

Works valued less than 12,000.00 value, no insurance is required when carried out by a licensed builder.

LONG SERVICE LEVY

For building or subdivision works that exceed a value of 25,000, payment of the Long Service Levy to the Long Service Levy Payments Corporation is required prior to Council (or an accredited certifier) issuing the Construction or Complying Development Certificate. Council acts as an agent for collection of this levy.

The amount payable is currently fixed at 0.35% of the total cost of the work and is GST exempt

Facilities Hire and Use

General Conditions of Venues Hire

Note 1

The Conditions of venue hire documents are located on the council website or when requested by the Venues team. Groups may additionally pay:

- A bond of up to \$1,000.
- A Key Bond of \$100 may be applicable.
- Public Liability insurance to the value of \$20 million is required. Hirers may be eligible to use Council insurance for the nominated fee (as noted below). A hirer is eligible if they are a person or group of persons (not being a sporting body, club, association, corporation or incorporated body), who hires a Council facility for non-commercial or non-profit making purposes, less frequently than 12 times per calendar year.
- A fee for a security guard may be applicable.

Note 2

- Category 1 is defined as Commercial, Federal or State Government or individuals for the purpose such as receptions, private parties, dinner dances or weddings.
- Category 2 is defined as Non Profit Groups and charities. Non-profit community groups or charities must provide Council with a copy of their letter of Incorporation or evidence of non-profit status to obtain the reduced rate.
- Category 3 is defined as Sporting groups / clubs or associations who are utilising both the venue for hire and the adjacent sporting fields concurrently.

Note 3

Hall hire rates are heavily subsidised. No further concessions are available.

Note 4

Council reserves the right to revise fees and charges without notice. Council reserves the right to revise minimum hire booking period.

Graffiti Removal - Non-Council Property and Assets

Note At the 15 February 2005 Council Meeting, Council endorsed to undertake removal of graffiti on an even shared cost basis through City Services only with the consent of the owner (within legislation).

Graffiti removal from non Council property and assets - resident contribution to cleaning materials	At Shared Cost	PC
If requested by the owner an estimate of the cost of materials to be used in removing the graffiti at the time of obtaining consent from the owner. Council will endeavour to advise the consenting owner if an estimate provided requires variation during the work. However, the Council will charge 50% of the actual cost to the Council for the materials used to remove the graffiti. This fee will be charged in conjunction with the cost of labour and equipment used.		

Graffiti removal from non Council property and assets - resident contribution for Council staff, vehicle and high pressure cleaner	At Shared Cost	PC
If requested by the owner an estimate of the cost of the Council staff, vehicle, high-pressure cleaner or other equipment used in removing the graffiti at the time of obtaining consent from the owner. Council will endeavour to advise the consenting owner if an estimate provided requires variation during the work. However, the Council will charge 50% of the actual cost to the Council for its staff, plant hire of the vehicle, pressure cleaner or other equipment used to remove the graffiti. This fee will be charged in conjunction with the cost of materials used.

Parks Hire

General Conditions of Open Space Hire

Note 1

Local schools (Canada Bay LGA) have free use of parks within Council boundaries (except Majors Bay Reserve Synthetic) - weekdays until 4pm only (Booking fees still apply, see note 10).

Non-local schools shall pay 50% of the Casual Use rate as applicable - weekdays until 4pm only. PSSA School Events are charged at ½ the seasonal rate per field for the year, ¼ to be paid each term - weekdays until 4pm only.

Schools within the LGA, with prior agreement with Council, can organise Athletics Carnivals at Drummoyne Oval as per terms and conditions during one pre allocated week of the year and apply for fee waivers.

Note 2

Casual Use rates apply to use of sports fields or wickets per day or per hour. Half Day use shall be charged at 50% of the Casual Use Rate. Hourly Use shall be paid on a pro-rata basis.

Note 3

All bookings could incur a Bond and/or a restoration fee at Council's discretion.

Note 4

Additional costs at cost-recovery rates shall apply to use of open space as applicable. For example, litter bins, Council Law Enforcement Officers, staffing, waste management, cleaning, utilities and line marking.

Note 5

Winter Season from 1st April to 31 August.

Summer Season from 3rd week in September to 31 March.

Grounds may not be available for matches/games during March/April due to ground preparation.

Note 6

Pre-season training ground hire fee is 50% of normal seasonal hire rate. Pre-season weekend trial/grading bookings charged an additional casual hire fee. Pre-season facilities will not include line marking or installation of goalposts or provision of lights.

Note 7

Lighting fee is additional to seasonal hire charge. (council will refund lights if council close the field, refund at end of season).

Note 8

Bookings in excess of 10 per year will be treated as a seasonal booking and will require private public liability insurance to be purchased by the hirer.

Note 9

Council will consider waiving the cost of hire of parks to local, non-profit, registered charity organisations within our Community on their merits, when requests are made. All requests must be lodged with Council 14 days prior to event.

Note 10

A Booking Fee will be charged to all bookings. This fee is non-refundable.

Note 11

Public Convenience Access fee of \$250 may be applicable to sporting and training events when no other hire fees are charged. Council will require a key bond of \$100.

Roads and Footpaths

General Conditions for Roads and Footpaths

1. All fees described include the basic provision of the service during normal business hours under normal circumstances. Other costs such as traffic control, night work and other unusual costs that may arise may require a variation. Where possible these variations will be agreed upon before works commences. If additional costs arise due to unforeseen circumstances, such as a poor subgrade for a road pavement, the costs will be passed on and the applicant will be advised as soon as practical.
2. The RMS may require specific requirements, including Road Occupancy Licences for State Roads, and these costs are not included in these fees. The costs associated with complying with the requirements of the RMS will be fully payable by the applicant.
3. RMS peak period time constraints are not included in the rates set out in this document. Where these constraints are imposed, the rates will be modified to reflect the limited access period to undertake the work. The applicant will be advised of the modified rate as soon as practical.
4. All of the pricing included in these fees are based on the underlying base, subbase and subgrade meeting AUSPEC standards. Works that have been undertaken that do not meet AUSPEC requirements, including the 306 Specification, will impact on the cost of the works to be provided and shall be fully borne by the applicant.
5. A charge for restoration work made under Section 101 and Section 102 of the Roads Act within the Council area is not subject to GST, whether charged direct to Telstra, Sydney Water, etc, or charged to a contractor engaged by them.

Road Openings

In accordance with Division 3 of the Roads Act, a person must not carry out work in, on or over a public road without the consent of the Roads Authority. If you need to undertake any work between private property boundaries beside a public road you must obtain a Road Opening Permit from Council. This includes any work on a nature strip area, footpath, road pavement, or road island. For information on the Road Reserve Opening Permit and the process for applying for one, refer to Council's Fact Sheet at www.canadabay.nsw.gov.au/residents/your-home/driveway-and-ancillary-works/road-and-footpath-openings.

Any damage to Council's assets caused by the works proposed by the applicant for the Road Reserve Opening Permit, must be temporarily restored by the applicant in accordance with the condition of the Permit. The applicant must pay Council the cost of permanently reinstating the damaged asset/s at the time of application together with a security deposit to cover the reinstatement of any unforeseen and unexpected damage to Council assets. Should additional permanent restoration work be required the applicant will be asked to make an additional payment. Any balance of the security deposit lodged by the applicant will be returned to the applicant once the permanent restoration work is completed.

Where a contractor is undertaking works on behalf of a recognised utility provider under Legislation, the contractor will be required to obtain and pay for a Road Opening Permit and comply with all of the conditions of the Permit, including the payment of expected reinstatement costs, unless they are able to have the utility provider who engaged them to provide Council with an undertaking to accept responsibility of the work performed by the contractor.

Road Reserve Opening Permit

A Cost of Works will be issued upon determination of agreed scope of works prior to a Road Reserve Opening Permit being approved. Upon completion of the applicant's temporary restoration of the worksite, a pre-scheduled final inspection will be undertaken by Council to verify the extent of permanent reinstatement works required. The final Cost of Works for Council to undertake the permanent reinstatement will be invoiced to applicant. If the invoice for the permanent reinstatement work is not paid within 14 days, the security deposit will be used to fund the work.

In addition, the applicant will be required to lodge a security deposit which will be the full amount of the Assessed Cost of Works for Council's permanent reinstatement work. The security deposit will be returned to the applicant once Council has completed a satisfactory final inspection and where required an invoiced Cost of Works has been paid for Council to undertake the permanent reinstatement.

Road Reserve Opening Permit Application	\$210.00	\$300.00	\$0.00	\$300.00	FC
This fee will be calculated on the basis of each application (each). This fee is non-refundable once the Road Reserve Opening Permit has been issued, even if the works do not proceed by the applicant.					
Change of Private Contractor Application	\$80.00	\$82.50	\$0.00	\$82.50	FC
This fee is payable when the holder of an approved Road Reserve Opening Permit seeks to change the person undertaking the work that was nominated on the application form. This fee is calculated on an a per application (each) basis.					
Additional inspection / re-inspection	\$200.00	\$350.00	\$0.00	\$350.00	FC
Further inspection work could be necessary for a number of reasons, such as to review the extent of work being undertaken by the applicant or to review the extent of the permanent reinstatement work planned. Any inspection required will incur a fee which must be paid prior to the inspection. This fee is calculated on the basis of each inspection.					
Final Inspection	\$200.00	\$350.00	\$0.00	\$350.00	FC
Final Inspection fee is payable upon lodgement of Road Reserve Opening Permit Application (in al cases)					
Confirmation of Road Reserve Opening Permit Finalisation	\$105.00	\$108.00	\$0.00	\$108.00	FC
Once permanent reinstatement works have been completed by Council, the applicant of a Road Reserve Opening Permit can request confirmation of the finalization of the Permit. The finalization of the Permit releases the applicant from any further liability for the road opening.

Unauthorised Works in the Road Reserve

This fee applies to unauthorised Road &/or Footpath Openings, Driveways and all other public infrastructure works by Private Contractor.

Processing a Road Reserve Opening Permit after work has commenced is more complex and time consuming for both the applicant and the Council. If it is necessary for Council to process a Road Reserve Opening Permit after works have commenced by the applicant or his/her contractor an additional fee will be payable. A person undertaking work within the Road Reserve could potentially have an Infringement Notice issued as a penalty under the Roads Act for failing to obtain consent from the Council. The application of a fee for unauthorised work in the road reserve will not limit Council to taking action against the applicant and/or the contractor under the provisions of the Roads Act and Regulations as an infringement or otherwise. This fee will be in addition to all other Road Reserve Opening fees, including application fees, inspection fees, permanent reinstatement costs and security deposits. The fee is determined by assessing the value of the Council's permanent reinstatement work for the unauthorised work.

Unauthorised Road Opening Processing - assessed value of the Council's permanent reinstatement work valued up to \$5,000	\$1,060.00	\$1,090.00	\$0.00	\$1,090.00	FC
Unauthorised Road Opening Processing - assessed value of the Council's permanent reinstatement work valued from \$5,001, up to \$25,000	\$2,120.00	\$2,180.00	\$0.00	\$2,180.00	FC
Unauthorised Road Opening Processing - assessed value of the Council's permanent reinstatement work valued from \$25,001	\$3,180.00	\$3,280.00	\$0.00	\$3,280.00	FC

Security Deposit for Vehicular Crossing & Ancillary Works Undertaken by Private Contractor

When vehicular crossing and/or ancillary construction works are being undertaken by a private contractor, Council requires the submission of a security deposit. The security deposit is held until the works are completed and inspection by Council. Where Council assets, such as a concrete footpath, have been damaged during the driveway construction, Council will ask the applicant to pay for Council to reinstate the damaged assets. The security deposit can be used to pay for this work by Council. Should there be a balance outstanding then the applicant will be liable to pay the balance. If there is no damage to Council assets at the time of final inspection then the security deposit will be refunded.

Where an applicant for a vehicular crossing &/or ancillary works application seeks to have the works undertaken by a private contractor and the works are directly associated with a current development application where a Damage Deposit is currently held by Council, no security deposit will be required under this section provided that the Damage Deposit held by Council exceeds the value required by this section. If the value of the Damage Deposit is lower than the security deposit described in this section then the applicant for the driveway application will be required to submit the balance as a security deposit.

Security deposit - residential / duplex building up to 3 storey application	\$2,700.00	\$3,000.00	\$0.00	\$3,000.00	BAGS
