

# Clarification of 2020 Sydney Water Final Report Determination

26 August 2022

1. This notice clarifies IPART's Final Report titled *Review of Prices for Sydney Water*, dated June 2020.
2. Table 12.1 of the report sets out the late payment fees and fees for dishonoured or declined payments which Sydney Water may charge. The fees are expressed in \$2020-21.
3. For the avoidance of doubt, it is intended that those fees are to be adjusted for inflation for the 2021-22, 2022-23 and 2023-24 financial years.
4. Clause 1.2 of Schedule 8 to IPART's Final Determination titled *Sydney Water Corporation Maximum prices for water, sewerage, stormwater drainage and other services from 1 July 2020*, dated June 2020, explains how to apply inflation to the fees set out in Table 12.1 of the report.
