Water Industry Competition Act (NSW) 2006

Notice of approval to bring new infrastructure into commercial operation

I, The Hon. Niall Blair MLC, Minister for Lands and Water, have considered the request by Discovery Point Water Factory Pty Ltd (ACN 142 392 541) (**DPWF**) for approval to bring new infrastructure into commercial operation under the *Water Industry Competition Act 2006* (NSW) The new infrastructure is described in Schedule A of DPWF's network operator's licence (licence no. 13_025) (**Licence**).

I have considered a report prepared by an 'approved auditor' within the meaning of the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**). The report is included as **Attachment A**. I am satisfied that the report indicates that the new infrastructure:

1. complies with the requirements of the Regulation and the conditions of the Licence; and
2. is capable of operating safely and in accordance with DPWF's infrastructure operating plan and recycled water quality plan.

I therefore give my approval under Schedule 1, clause 2 of the Regulation for DPWF to bring the new infrastructure into commercial operation.

A handwritten signature in black ink, appearing to be 'Niall Blair'.

Minister for Lands and Water
