Water Industry Competition Act 2006

Notice of approval to bring new infrastructure into commercial operation

The Independent Pricing and Regulatory Tribunal of NSW (the **Tribunal**) approves Flow Systems Operations Pty Ltd (ACN 603 106 305) (FSO) to bring into commercial operation, all new infrastructure which:

1. is infrastructure to which FSO's network operator's licence (licence no. 16_037) (**Licence**) applies;
2. existed as at 16 September 2019; and
3. is of the kind described in each of Table 1.2 (1) of the Licence.

The Tribunal has considered the request from FSO for this approval, as well as the following report, which was prepared by an 'approved auditor' within the meaning of the Regulation: "New Infrastructure Audit Box Hill North Recycled Water Scheme", dated 12 November 2019 (included as **Attachment A**).

The Tribunal is satisfied that the report indicates that the new infrastructure:

1. complies with the requirements of the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**) and the conditions of the Licence; and
2. is capable of operating safely and in accordance with FSO's infrastructure operating plan and water quality plan.

The Tribunal grants this approval under clause 2 of Schedule 1 to the Regulation, as a delegate of the Minister administering the *Water Industry Competition Act 2006*. The Minister's functions under that clause were delegated to the Tribunal with effect from 28 February 2019.
