Water Industry Competition Act (NSW) 2006

Notice of approval to bring new infrastructure into commercial operation

I, Kevin Humphries MP, Minister for Natural Resources, Lands and Water, have considered the request by Central Park Water Pty Ltd (ACN 151 072 838) (**CPW**) for approval to bring new infrastructure into commercial operation under the *Water Industry Competition Act (NSW) 2006*. The new infrastructure is described in Schedule A of CPW's network operator's licence (licence no. 12_022) (**Licence**).

I have considered a report prepared by an 'approved auditor' within the meaning of the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**). The report is included as **Attachment A**. I am satisfied that the report indicates that the new infrastructure:

1. complies with the requirements of the Regulation and the conditions of the Licence; and
2. is capable of operating safely and in accordance with CPW's infrastructure operating plan and water quality plan for recycled water.

I therefore give my approval under Schedule 1, clause 2 of the Regulation for CPW to bring the new infrastructure into commercial operation.
