

Ashfield Amateur Swimming Club has been operating at the Ashfield Aquatic Centre for 52 years. Ashfield Amateur Swimming Club Inc is a not-for-profit, family-oriented, community swimming club. The Club meets on Saturdays 7:00 am till 8:45 am during the summer swimming season at Ashfield Pool in Sydney's inner-west.

The Club is a family swimming club in which both children and adults participate in a range of 'Pointscore' (progressive improvement) and 'Championship' events. Everyone is encouraged to participate. There are 20 and 30 metre races for those learning to swim, through to longer distances (50, 100, 200 & 400 metres) for juniors, teens, seniors and the Mums and Dads.

We run a comprehensive Life Saving program which is open to, and attended by, members of the public, and have an active social calendar.

The Ashfield pool is utterly essential to our activities. Swimming is crucial to safety, fitness and well-being of local community members and Ashfield Amateur Swimming Club contributes to this by encouraging and promoting swimming from the youngest of ages through to the oldest.

Rebuilding of the pools is critical to the continued well-being of our members, the existing community at large and future generations. **WE URGE YOU TO APPROVE A SPECIAL RATE VARIATION TO ENABLE THE ACQUATIC CENTRE TO BE RENEWED, TO REMAIN A MUNICIPAL ASSET AND AVAILABLE TO ALL.**
