Subject: RE: Rate increase objection

Dear [REDACTED],

Thank you for the follow email after our phone conversation. Our executive committee members feel that there was insufficient time to lodge objectives to the tribunal against an hugh rate increase. The main reason is that the majority of ratepayers in all the small villages in SCC have a limited income ie Pensions and will have trouble absorbing this increase. We need SCC to look at alternative measures to raise the money they require. Eg Tourist tax etc.

Yours truly

Robyn Kerves.
