Subject: Draft Terms of Reference for IPART monitoring of biodiversity credits market - submission

Dear IPART Industry team

I'm emailing about the Draft Terms of Reference for IPART monitoring of biodiversity credits market and hoping you will accept a late submission.

Eurobodalla Shire Council has a Biodiversity Stewardship Site (formerly Biobank site). When considering the Terms of reference for the scope of IPART's new monitoring role, consideration should be given to local government as BSA holders and whether their need to demonstrate probity / value for money is likely to restrict their ability to enter into the market.

Please feel free to contact me if you have any questions.

Kind regards
