Subject: The City of Sydney is fit for the future

Dear IPART

I have been a resident of the City of Sydney for many years and lived through its merger with South Sydney Council.

I support the submission made by the City of Sydney:

- The City of Sydney **has scale and capacity** to be Fit for the Future.
- **No major structural should change** be undertaken to the City's boundaries at this time.
- Priority action is needed to **deliver important reforms** to the NSW local government legislative and regulatory framework for governance, financing and collaboration/coordination.
- To enable integrated strategic planning, local government areas excised and transferred to state agencies (Sydney Harbour Foreshore Authority, Barangaroo Delivery Authority and UrbanGrowth NSW) should be **reintegrated into the City** local government area.

I am happy for my name to be publicly associated with this submission.

Kind regards

Alan L Limbury
