IPART Special Variation Submission Form

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Cootamundra-Gundagai Regional Council, Application Notification Letter
Please leave your comments in the comment box below.	Given the current economic climate I think the proposed rate increase is unreasonable and that council has failed to yet address all areas that it could reduce costs, given the unhappy state of many residents within the shire largely due to the amalgamation of both councils, I feel rate increase at these levels will continue to divide what is already a very divided shire and that many who simply cannot afford what is proposed will become even more bitter and the shire will never progress forward
