I say NO to the proposed increase rate rise that this council wants.

This council has cut services to the community, the area is looking like a dump, roads are shocking. The decisions this current council/management have made since the forced merge have been devastating for this area. Made bad mistakes.

The Mayor, Councillors, General Manager and Directors are accountable for their mismanagement. They should all be investigated. The council's financial position should be questioned and investigated.

A rate increase will not fix anything. The problem is the current hierarchy running this council. They are all accountable for their actions. An independent investigation needs to take place to find out the true financial position of this council.

NO TO A RATE RISE
