Dear Sirs Proposed rate rise for Lismore City Council

I said NO when Lismore City Council asked for the views of ratepayers to proposed rate increases. I do not believe the Biodiversity Management Strategy is for the benefit of all ratepayers of this rural area. I've said NO once and the Lismore City Council should respect the decisions of the ratepayers. The SRV will not address the major issues of this community both rural and urban and NO is still my answer.

I request that IPART not allow rate rises for Lismore City Council. I further request that my name and address not be made public.

Yours faithfully
