Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	This council needs to be investigated. To much money is being spent on things, the people of Lismore, have said no to. This council expects, the rate payer, to bail them out of trouble, all the time. Lismore is a low income area, and families are struggling to pay bills now. This rate rise will be the death of our town. Council need to cut back on spending, and need to start cutting back, at the top level, sell some council assets, and they all don't need a car each, thats payed for by the council. Lismore is dying, and this rate rise will be the last nail in the coffin. Council don't care and don't listen. Council work for the rate payer, not the the other way around. Council are stealing money. Lismore has said no.
