Submission: With jobs gone in Lithgow , and the current economic downfall of the area , people are having to travel further for work . Adding the cost of higher rates is just going to drive people out of the area closer to their jobs adding to the problems the area is facing ! I don't want to leave my home town but adding to rates will see me and my family and other families doing just that ! NO RATE RISE OR SAY GOOD BYE TO THE TOWN THATS ALREADY FALLING APART
