Subject: Dungog council rate change.

To whom it concerns

I tried to send a submission on your website on Sunday morning but something went wrong.

So keeping it short ( because there is no copy of what I sent). I do not support Dungog council rate increase proposal. I do believe a rate rise is needed but not this much.

Council needs to lobby the state and federal governments to maintain our main roads( it is not fair that this council has no assistance).

Dungog council can not compare the rates of adjoining councils like Maitland, Port Stephens, Singleton because Dungog does not have similar infrastructure.

If more info is require please let me know. I would like to remain anonymous.
