Subject: North Sydney Council Rate Variation Proposal

Dear Sir,

North Sydney Council Rate Variation Proposal

Please remove my name and address from my submission

I am opposed to the rate variation which has been proposed by North Sydney Council. A 7% p.a. increase in rates for 5 years is close to a total 40% compound increase. This is simply way too much given cost of living pressures and the well publicised flat wages environment which has prevailed for some time now.
