Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Rates are supposed to be used to provide services to ratepayers. I already pay much more in rates here than I did for a higher valued house block in Sydney. Here I don't even have a proper gutter on my street outside my house. The roads are full of potholes which never seem to get fixed. I'm at a loss to why I am being potentially hit with even higher rates for services that I don't receive.
