Review	(LG) Special Variations & Minimum Rates 2020-2021
Document Reference	
Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Council has not been transparent and not included the new valuation of our land. Increase will be much higher than they have said. They have been incompetent in managing funds and could of received funding from grants to fix roads after floods but never applied for them. We should not have to pay for incompetent management.
Your comments on Criterion 1:	Incompetent management
Your comments on Criterion 2:	Not advised fully
Your comments on Criterion 3:	We are already in hardship due to floods then drought. We live rural and receive no direct benefit of council. (water, sewerage, roads, garbage)
Your comments on Criterion 4:	
Your comments on Criterion 5:	No cost containment strategies when they are paying excessive salaries and carrying out their jobs incompetently
