IPART Special Variation Submission Form - Applications

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Liverpool Plains Shire Council, Special Variation Application

If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.

I am opposed to the special variation as we are recovering from 4 years of DROUGHT and do not need increased expenses. Land values have recently increased since COVID 19 which will increase rates due to potentially increased valuations. We need council to manage within their budget and rate pegging increases.
