If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>Another increase with the same result...nothing!</p> <p>The community of Lismore deserve a council that has their best interests at the forefront and currently, we are far from this.</p> <p>What are our current rates paying for?</p> <p>Definitely not roads, infrastructure or boosting the local economy. So what is this extra rise really going to do?</p> <p>It's time for a new council - one who can budget, plan for now and the future of Lismore and carry through with their plans without ripping off the local community.</p>

Your comments on Criterion 2:	In a nutshell we need to pay more because the council don't have their priorities straight, can't budget and have no idea of how to boost our local economy to ease the strain of their ridiculous budget black hole.
Your comments on Criterion 3:	We pay more yet still drive on broken roads, we pay more but see no money boosting our local economy, we pay more knowing it fills the pockets of the wrong people.
