Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>I am totally against any extra rate rise above the rate peg. Council used figures from the last land valuation as a guide to increases, fully knowing that they would be using new valuations and hence be getting more from ratepayers than stated and increasing each year thereafter.</p> <p>Rates here are the most expensive in our region with most people unable to afford any further increases.</p> <p>Council needs to fix their own mismanagement of funds and not expect ratepayers to bail them out.</p>
