If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	This is stealing food from the tables of families, even if I go to sell, who is going to buy here when they can have decent roads and a better council in Byron, Ballina, Sydney... How dare you
Your comments on Criterion 1:	The community needs are simply not being ripped off further buy a council that has been exposed for mismanagement already.
Your comments on Criterion 2:	The evidence is the pre mentioned mismanagement above, why should we foot the bill? Sack everyone in council as done in Richmond River council and Re staff, it worked there and will work here.
Your comments on Criterion 3:	Lismore rate payers pay the highest rates in the state, this is already unreasonable.
Your comments on Criterion 4:	Where is councils documents.? Are these being slid through without full community consultation? I am a rate payer and have not been notified.
Your comments on Criterion 5:	Lismore council has already been exposed for mismanagement the year before last
