Document Reference	
Council	Georges River Council, Special Variation Application
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Reading the information council already is allowed to increase their rates by 2%, nsw valuer general has increased land values so councils rates will increase with this as well. We have Federal Government, state government and now an ever increasing bureaucracy in councils. Councils should look after local roads garbage libraries and parks not indulge in further costly other activities.
Your comments on Criterion 1:	Stick to the council core responsibilities
Your comments on Criterion 2:	We do not need a larger more costly council. We amalgamated to save costs
Your comments on Criterion 3:	Rates are already high
Your comments on Criterion 4:	Council should live within their means like everyone
Your comments on Criterion 5:	We don't need more services
