Council	Armidale Regional Council, Special Variation Application

If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.

To whom it may concern

I am writing to express my concern in regards to Armidale Regional Council's (ARC) recent application to IPART for a special rate variation (SRV). I wish state my desire for no SRV (the discontinuation of the current SRV).

I have made this decision for two reasons

Firstly, the region is currently suffering from the economic impacts of drought, bushfire and the covid19 pandemic. An SRV will only add to these pressures.

The council has a demonstrated track record of chronic financial mismanagement. The provision of increased finds to ARC will only increase the

The council has a demonstrated track record of chronic financial mismanagement. The provision of increased finds to ARC will only increase the mismanagement. It is my view that the council should reduce its operations to core responsibilities. Once it successfully handles those responsibilities the council will be deemed trustworthy to be responsible for a greater level of operations.

I understand that although I have not personally written this letter, this has been prepared by someone who shares the same views as myself. Due to constraints on my time available to write my own letter, I have chosen this template to represent my views. People who are time poor should be just as entitled to be heard as people with more time.
