If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Lismore city council needs to control and spend there money more wisely, for example over a 12 mth budget of 100% to fix our roads we repaired 23% for a start with no plan inplace to get them fixed, they wasted \$11000 on a rainbow crossing with a annual upkeep of \$8000 that is contracted to a company 2.5 hrs away. We spent \$300000 on turf in whilst in the middle of a drought. our CBD needs help since the floods to keep it active and local business open which our council isnt supporting.
