If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>You may get many opposing the rise. It is however a wise and necessary rise and this council is putting the long term welfare of our shire first instead of just keeping people happy so they get voted back in.</p> <p>I am not wealthy. We pay our rates weekly and we budget for it. If people did this they too wouldn't find it so difficult to pay their bills. Costs have gone up for everyone, including council and the state has piled more and more costs onto councils.</p> <p>I hope sense prevails over hysteric outrage and the increase is aloud.</p> <p>Most against it are only basing their decisions on social media anti council campaigns not actually looking into the facts of the matter. It is easy to get people on board a campaign if they think it will cost them money if they don't.</p>
