Submission: MANY CITIES AND SUBURBS CAN LEARN FROM LEICHHARDT COUNCIL: Leichhardt Council is well functioning, financially sustainable and a forward thinking council for the future. The best local council I have ever experienced (I lived in Oslo, Norway for 48 years before I moved to Australia). I think it will be a big mistake to make an Inner West Mega Council! I am normally NOT proud of Australian politics but think Leichhardt Council is doing an excellent "21st century" job.
