| Council | Armidale Regional Council, Special Variation Application |
| If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below. | The Armidale Regional Council was recently under Administration and is still subject to conditions and reviews. This Council is seeking another Special Rate Variation because the last one received is expiring. This Council which still consists of a majority of members whose mismanagement of Council funds and business resulted in Administration cannot be rewarded for their ineptitude by being given more money at the cost of rate payers. |
