Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	With the 7.5% increase in rates and an increase of about 1.9% for aged pensioners will see pensioners out of pocket. An increase in pension is supposed to help a little to all increases in the cost of living., Not to be wholly taken up by one institute.
Your comments on Criterion 1:	Before the council spends money on unnecessary arts they must attend to the shabiness in the main CBD. this will help to vitalise the centre of Lismore. Pavements must be replaced and remained cleaned. Road markings around the CBD are a disgrace as you cannot see them half the time
Your comments on Criterion 2:	Yes. We do need an increase in rates but 5% is a better figure. Also the council top admit seems to be a little heavy.
Your comments on Criterion 3:	A 7.5% increase would take more then the increase of 1.9% pensioners are expecting. Not on.
