Submission: If I wanted to be a part of Bankstown Council I would have bought a house in their area coverage . I own my home therefore should have a right to choose who I want to pay my rates to!

Lack of consultation and consideration of the views of affected residents and businesses by Bankstown Council, I am satisfied with Strathfield Council's management of the area and object to having my property and services transferred to Bankstown Council, I identify with the Strathfield community, not the Bankstown area., I am concerned this takeover would result in my area becoming part of a large council and my access to councillor representation and my voice in local issues would be reduced, I am concerned this takeover would result in increased Council rates because land values of properties in the Strathfield Council area are considerably higher than Bankstown Council. This may also affect property values, I am concerned this takeover would result in a loss or decline in services and the management of the areas assets and infrastructure, I note that Bankstown Council has revenue shortfalls and are proposing significant rate increases to pay for its own revenue shortfalls, debts and asset backlogs, I am concerned for the loss of community facilities, parks and open spaces and declines in standards or service and infrastructure management if taken over by Bankstown Council
