If this increase is approved, then a large amount of ratepayers, including myself will be forced to sell. The Central Coast Council have done nothing but mismanage money for too long. People are struggling due to the PANDEMIC, the recent rate increases and now we are expected to accept more money [REDACTED]. Enough is enough. People are living below the poverty line and can't even pay rent or mortgage payments. Time to stop expecting ratepayers to be an unlimited ATM withdrawal. Shameful on all parts. If this goes ahead, I will be selling up and moving out from under the Central Coast Council.
