And now you guys want to raise water and sewerage 34%???? Are you mad. Council goes bankrupt and the residence have to fork out 74% increase in water and rates. Honestly I do not understand how they can [REDACTED] causing this much financial strain on the community. I hope you guys do the right thing and stop the central coast residents being used and abused. If this continues, why should we even pay it? This is of no fault of ours. I am utterly disgusted.
