We have had enough of this council, they stuff up and waste tax payer's money and then go brook, then wanting the public to coff up more for rates, water etc. It's bad enough we are going through covid, people losing thier jobs, committing suicide and so on, we don't need more hardship on the community and I'm for one don't want to see a price rise. Look at our roads, they can't even maintain them, pot holes everywhere, you log a hazard and its still the same 3months later. Thankyou
