If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>Council Rates are already excessive, for the poor quality of services rendered.</p> <p>I am on acreage, with septic, no rubbish pick up, and tank water. I still pay \$500/quarterly despite the only real service being roads. The same roads that are absolutely trash, and degrade excessively due to poor workmanship and materials after any sort of rain event.</p> <p>Council should be reigning in their budget, not raising the living costs of the rate payers to compensate for their incompetence and mismanagement.</p>
Your comments on Criterion 1:	Council could massively reduce its spending in gardening and other non essential beautification works and reallocate funding to roads from there.
Your comments on Criterion 2:	There is no need for a special raise. Council needs to assess its own financial management, not slug property owners.
Your comments on Criterion 3:	Unreasonable, greedy, and without self control.
Your comments on Criterion 4:	
Your comments on Criterion 5:	Inadequate, or we wouldn't be here.
