Subject: ANONYMOUS - Lismore City Council - IPART Special Variation Submission

I had trouble using the online submission form. Please make my submission anonymous.

I am a self funded retiree and live on a property. The cost of living and the harsh reality of the recent long drought has made it hard to make ends meet. This increase is will make it even harder.

As an older person who has worked all their life now living on my own savings I ask you please please do not allow this increase. Thank you.
